

Співпраця Кафедри з американським Інститутом бухгалтерів управлінського обліку

Раді повідомити, що у грудні 2016 року 10 магістрантів обліково-економічного факультету, 7 з яких навчаються за програмою «Управлінський облік та контроль», отримали стипендіальні гранти від американського Інституту бухгалтерів управлінського обліку (Institute of Management Accountants, IMA). Зазначене надає можливість студентам безкоштовно навчатись та здавати іспити з метою отримання міжнародної кваліфікації Сертифікований бухгалтер управлінського обліку (Certified Management Accountant, CMA).

Зокрема, даний грант покриває витрати кожного студента:

- Реєстраційний внесок за членство в IMA (\$15).
- Членський внесок (у відповідній категорії членів IMA): \$39 - \$230 / рік) за 3 роки.
- Плата за вхід на CMA програму (\$250).
- Пакет підтримки для іспиту CMA.
- Реєстраційні платежі за першу спробу на обох частинах CMA іспиту (2 частини, кожна за \$415).
