Ambassador Altai Efendiev**

Dear Amb. Altai Efendiev,

ADA University is a public university offering undergraduate and graduate degree programs. We offer undergraduate and graduate programs through our School of Public and International Affairs, School of Business, School of Agriculture, School of Design and Architecture, School of IT and Engineering, and School of Education.

Every year ADA University hosts a diverse group of international students from different countries around the globe. Currently, 207 international students representing 49 countries are pursuing their bachelor's and master's degrees at ADA University. Our institution offers different financial aid options to international students. We have active partnership with 146 reputable universities worldwide. This year, we are planning to increase our recruitment and outreach activities to attract more international students.

All international students may apply for the ADA University International Fellowship named after *Alimardan bay Topchubashov* that offers tuition, accommodation, a yearly medical insurance coverage and monthly stipend.

Considering the significance of this opportunity and its possible crucial impact in education, we would like Your Excellency to ensure the distribution of this scholarship announcement among all member states.

We would like to express our gratitude for your work to strengthen the multidimensional relations among member states.

Sincerely,

**Dr. Fariz Ismailzade
Vice Rector**
